Signed: ____________________

Date of declaration:

Precious Metal Bought/Received				Precious Metal Articles Manufactured & labour employed			Precious Metal Disposed of or sold /exported[4] [list local sales and exports (with destination) separately]				
Month	Total fine mass(Kg) by precious metal type[1] (for month)		**Total Value (R) for month**	**Labour employed in month**	**Articles manufactured[2] in month**	**Total Value (R)**	**Month**	Total fine mass(Kg) by precious metal type[1] (for month)		**Total Value (R) for month**	**Destination (country)**
	Metal	Fine mass						Metal	Fine mass		

A true copy of this document must be submitted to the Regulator no later than 90 days after the end of the financial year of the permit holder's business

Notes: 1: Fine mass of gold, platinum, palladium, rhodium etc.; 2: e.g., granules of 99.9% purity)
2: Just list the type & fine mass of articles manufactured – the date and order of manufacture are irrelevant, but list articles manufactured by month. This column does not necessarily correspond with entries on the left (precious metal bought) or right column (precious metal sold). Use additional pages of this forms if required for
4: Including precious metal in scrap and waste
Fine mass: .Fine mass/weight: the mass of the precious metal contained in the article/product, as determined by multiplying the gross weight of the article/product by its fineness or purity (in %)
