**Subject:** RESUMPTION OF SADPMR BUSINESS OPERATIONS

Dear colleague

We are pleased to inform you that the SADPMR potential case has tested negative for COVID-19. As a precautionary measure, we will continue to observe the 14-day self-isolation. In this regard, the South African Diamond and Precious Metals Regulator head office in Johannesburg will open for business on 22 June 2020. Please be assured that fogging and deep cleaning of the entire business premises has been conducted.

We urge you to please continue to observe the provisions of the National Disaster Management Act, 2002; and its Regulations. It can never be over emphasized that the health and safety of our employees and clients are important to us, and therefore request that you:

- wear a face mask at all times while in our building;
- sanitize your hands and wash your hands regularly;
- observe social distancing;
- observe all the signage displayed around our premises; and
- screening of employees for Covid-19 will continue to be conducted on a daily basis

Please also remember the following:

1. **Staff Rotation Cluster B** will be expected to report to work on 22 June- 03 July 2020.
2. An effort to avoid person-to-person and office contamination, **Staff Rotation Cluster A: (08 - 19 June 2020 teams)** is prohibited from physically reporting to SADPMR premises during the 22 June- 03 July 2020 period.

SADPMR remains committed to the curbing of the spreading of the COVID-19.

**# Save Yourself. Save Us.**

Yours sincerely

**Cecil Khosa**  
Chief Executive Officer
